ANNUAL REPORT

ARROWHEAD CHURCH | GREENEVILLE

2022

Psalms 77:11 *“I will remember the deeds of the LORD; yes, I will remember Your wonders of old.”*

What a year it's been! It's so important for us to regularly look back and reflect on the ways that God has been faithful to our church. This year-end review in your hands is one way that we can look back and give glory to the Lord for all He has done through the ministry of Arrowhead Church. As you read through this, I hope you will take some time to thank the Lord for His great mercy and provision toward our church. And I hope it fills you with excitement for 2023!

The year-end review is also to encourage you to see how you can be involved in the work God is doing here. Truthfully, as we've grown numerically, we are in need of more volunteers to serve all the new men, women, and kids who are now in our church body. We've already begun the process to expand our worship center (in the drawing stage at the moment) and renovate some of our current facilities to accommodate the growth that we have seen. Our desire is to see more and more people take their next step with Jesus. We want to see something great happen in Greeneville and we need your prayers, your support, and your participation in this ministry we call Arrowhead Church! But more than this- we need the Holy Spirit to guide our every step. We desire nothing other than to do His will!

So take some time and look through this report and pray about how you can continue to help and serve the local body of Christ or how you may begin to support it in this new year!

Thank you for taking a few moments to look over our 2022 review and for all you have done to see our church reach those in this community and around the world with the gospel!

SUNDAY MORNINGS

On an average Sunday in 2022, we had...

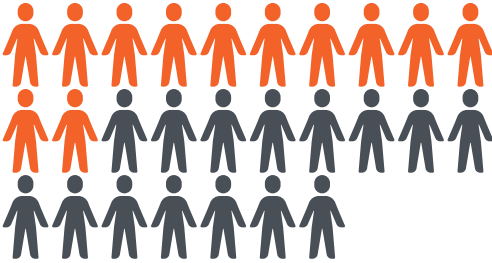

38 Unique devices
live stream our services

So... how many people is that? We're not sure because sometimes more than one person is watching the live stream on a single device, like if a family is watching it together on the TV in their living room (even if 4 people are there, it only counts as 1 device). But it's at least 38 people!

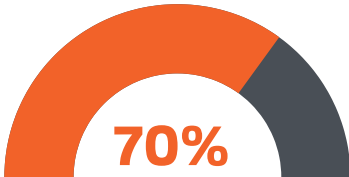

ESSENTIALS

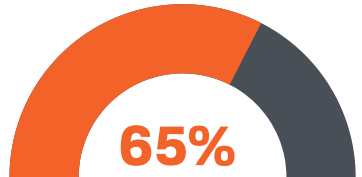

In 2022...

26 people attended Arrowhead Essentials, and **15** of them have since become partners at the church

of those who attended are now in a small group

of those who attended now regularly serve

GROUPS + SERVING

In an average month in 2022...

GIVING

\$75,407.33
more than in 2021!

In 2022, you gave

\$332,477.41

which was used for

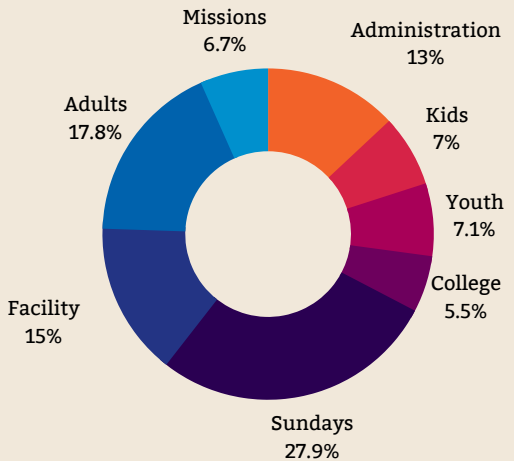

In 2022, 127 people gave to the church. Out of those, **48** people gave for the very first time!

GIVING

In 2023, we're eager to fund growth in our church in nearly every area. Our finance team and elders have carefully built this budget before they presented it in December 2022, based on where we hope to grow and where we see need.

2023 Budget

\$333,828

What we gain from this budget:

1. More missions giving
2. More aggressive debt pay-down
3. Funds to meet growing attendance in our kids, youth, and college ministries
4. Increased part-time staffing hours
5. Staff access to health + retirement options

BIG DREAMS FOR 2023

We believe it's time to plant a new Arrowhead Church

We aren't ready to share details yet, but God has led a pastor at one of our congregations to begin the process of planting a new Arrowhead Church. Much of this planting process, including building the core team, will occur in 2023. Details soon!

We need more space!

Our elders and finance team have contracted an architect to draw up a renovation plan to expand our current facility to accommodate more people in the auditorium and in AKids. Our hope is to renovate our facility and go back down to two Sunday morning services. Details soon!

GIVING IS GAINING

God used the faithful giving of our church to do more than we ever imagined in 2022. Who could have guessed we'd need to go to three services this year??

As we look to 2023, our heart is to see Jesus' kingdom grow even more - not just numerically, but through our spiritual health and obedience to Him as well.
