ANNUAL REPORT

ARROWHEAD CHURCH | GREENEVILLE

2023

In 2024, Arrowhead Greeneville will celebrate eight years as a congregation! It is truly amazing to think about all the Lord has done in and through our church since 2016. The vision to see a church established in Greeneville where it was ok to not be ok, a place where you could come as you are, a place that is unashamed of the gospel, and a place that is committed to teaching the Word of God has not hindered us from reaching more people but has compelled us to tell others of what God is doing and what He can do in their lives. This has led us to begin the process of expanding our facilities. What a great problem to have!

This year we have had the great opportunity to send out one of our staff members to plant Arrowhead's next congregation. This is so exciting. David and his team will be launching on January 21st. We can't wait to see what God does in and through this new church plant!

Arrowhead is not a perfect church, but it is a church that strives to be serious about the gospel and serious about helping people take their next steps with Jesus. As you look at this annual report please rejoice with us in all God has done, and also commit to praying for God's continued guidance and for the Holy Spirit to counsel us as we try to help as many people as we can, of every tribe, tongue, and nation, take their next step with Jesus! Also, pray about your involvement in the ministry of Arrowhead Church. This year, like the rest, we will need all the help (volunteers, financial, prayer) that we can get! Thank you for spending a few minutes to rejoice with us in this report.

“Lord, We ask that you would go before us!
Direct our paths in 2024! May you be
glorified, your name be proclaimed,
and your people be found faithful!”

BIG DREAMS FOR 2024

Expanding our Facility

In our efforts to be good stewards of all that God has entrusted us with, we have worked hard in 2023 to find the most economical way to add on to our facility. This has led us to brothers in Christ inside and outside of our congregation who are willing to help us in this endeavor. Our hope is to break ground on this expansion this year. We covet your prayers and your continued financial giving towards this building project. All this so that we can reach more and help more people take their next steps.

Arrowhead Español

We are starting off small, but we have big plans to see it grow to be able to reach the hispanic community in our region. More details to come as opportunities arise.

GIVING IS GAINING

God used the faithful giving of our church to do more than we ever imagined in 2023.

As we look to 2024, our heart is to see Jesus' kingdom grow even more - not just numerically, but through our spiritual health and obedience to Him as well.
